
Location agreement

Permission to film at a property, given by the owner or someone authorised to act for them.

Property name and address

Project / film title

Client organisation

Filming date(s)

Access times (from / to)

Areas we may use

TERMS

1. The owner (or authorised representative) grants Life Growth Digital and its crew permission to access the property on the dates and times above to film, photograph and record.
2. The footage, including the property's interior, exterior and any signage, may be used in the film and related promotional material, worldwide and without time limit. The property's name and address will only be shown if agreed below.
3. Life Growth Digital holds public liability insurance and will take reasonable care of the property, follow any site rules and leave it in the condition it was found.
4. Any damage caused by the crew will be reported immediately and made good.
5. The owner confirms they have the authority to grant this permission.

PLEASE TICK

- ☐ The property's name may be shown or mentioned in the film
- ☐ The property's name must not be shown or identified
